St. Peter's Bakery

A Tradition of Fresh Baking and Community

Nestled in the heart of St. Peter's Village at 3441 St. Peters Road, St. Peter's Bakery has long been a destination for locals and visitors seeking fresh baked goods, quality coffee, and a welcoming atmosphere. Surrounded by the natural beauty of the village and nearby trails, the bakery serves as a gathering place where neighbors, families, hikers, cyclists, and travelers can slow down and enjoy good food together.

Every day, our team prepares artisan breads, croissants, pastries, cookies, desserts, and café favorites using quality ingredients and traditional baking methods. From rustic loaves and buttery pastries to homemade pies and specialty tortes, we take pride in offering products that are made fresh and crafted with care. Our commitment to quality extends beyond our baked goods. We strive to provide friendly service and an experience that keeps customers coming back.

As the new owner of St. Peter's Bakery, I am honored to continue a tradition that has been an important part of the community for many years. My goal is to preserve the bakery's character and reputation while introducing new ideas and offerings that reflect the needs and interests of our customers. Whether it's expanding our menu, featuring seasonal specialties, or creating events that bring people together, we are always looking for ways to enhance the bakery experience.

Small businesses thrive because of the communities that support them, and we are incredibly grateful for the encouragement and loyalty we receive every day. Whether you have been visiting the bakery for years or are discovering it for the first time, we invite you to stop in, enjoy a fresh-baked treat, and become part of the St. Peter's Bakery family.

We look forward to serving the community for many years to come and continuing to make St. Peter's Bakery a place where great food, warm hospitality, and lasting connections come together.

The "Art" of Speck's

Culinary art is the creative skill of turning simple ingredients into something special—where chopping, mixing, cooking, and serving come together like a performance. While many restaurants showcase their artistry with elaborate plating, using elegant dishes, sauces, and edible flowers, Speck's offers a different kind of beauty: timeless flavor, fast service, and unbeatable value.

For over 70 years, Speck's has been serving quality food at reasonable prices. Their motto—***Fast, Affordable & Delicious—is the foundation of everything they do. And in keeping with their down-to-earth*** approach and environmental values, most meals are served simply, in paper wraps, boxes, or on classic paper plates.

Though famous for their award-winning fried chicken and coleslaw, Speck's has much more to offer. Customers also rave about their burgers, hot dogs, cheesesteaks, hoagies, salads, daily soups and specials. Whether you dine in or take out, Speck's is a perfect choice for parties, picnics, tailgates, or just a quick bite.

Speck's is located at 3989 Ridge Pike, Collegville, PA 194426. You can order online for pickup or delivery at **Specks.dine.online**.

Come taste a tradition that's stood the test of time—they'd love to share their "art" with you!

Hares Hill Brewing Company

Here at Hares Hill Brewing Company, we share a commitment to supporting the good people and organizations of our community. It's always been about working hard, having fun, and giving back. We believe that great beer and food brings people together. Our team aims to cultivate community through handcrafted brews, American comfort food, and superior hospitality.

Our menu features a variety of scratch-made foods that were created in collaboration with our staff. We're proud to provide our guests with fresh, locally-sourced ingredients. Everything on our menu was created with our guests' experience in mind and we believe it shows! If someone is unsure of what to try, our enthusiastic staff is happy to provide recommendations based on our guests' needs.

Our goal is not to be a "big brewery." Our goal is to bring you a small portfolio of great craft brews that complement our culinary driven craft food. We want to give you the whole package. You won't find 14 beers on tap, but you will find a good time, great beer, and great food with smiles and exceptional service. We strive to do everything we do with perfection, so we have chosen to partner with one of the area's best local breweries to brew our beers to perfection. You will always find our five flagship beers on tap, as well as two or three seasonal brews.

We look forward to serving you and welcoming you to the Hares Hill family!
