Celebrating Women's Business Month

Billy's Homemade Candies

Billy's Homemade Candies, located in Temple, PA, 19560 is a nostalgic look back to the best of what America's Main Streets have offered. A step inside is truly a charming step back in time as much remains unchanged; the memories sold are frequently what customers say they love most. Billy's continues to sell the finest homemade chocolates using the same handwritten recipes that have been passed on since the company began in 1935. As just the fourth owner in the store's history, Tricia Kummerer marks the first female owner despite the company employing a primarily female staff. As opposed to being a family-owned company, each of Billy's owners have been an employee of the store prior to purchasing the business.

The Billy's retail store offers a large variety of chocolates made fresh on-site and staff is happy to help customers pick their favorites to create custom assorted boxes. Neighbors and strangers alike strike up conversations over the candy counter, and time seems to slow down inside. Using fresh ingredients and copper kettles over open flame, Billy's crafts chocolates to savor and share. Custom chocolate molds, favors, and corporate orders are always available to order, and gift wrapping is always included.
